

## **Rules and Regulations for Enumeration**

### **ELIGIBILITY:**

1. Students presently in high school and undergraduate studies are eligible to participate in the preliminary rounds.
2. Students must have a valid Institute ID card as proof of their studentship.
3. Students studying in any board or academic curriculum are allowed to participate.

### **REGISTRATION :**

1. Students must register for the event in teams of **at most two** each.
2. It suffices if one student registers for a team of two.
3. Each student must be a part of a single team.
4. In case a student is found to be registered in more than one team, it would lead to immediate disqualification of that individual.
5. It is suggested that teams register themselves only once and avoid duplicate registrations. Contact us in case of difficulties.
6. There is no registration fee.
7. Registration must be done on the website  
[https://www.pravega.org/events/science\\_eve/Enumeration.html](https://www.pravega.org/events/science_eve/Enumeration.html)

### **THE PRELIMS :**

1. The preliminary round will be conducted online and will consist of objective + subjective type questions.
2. The duration of the round will be around 3 hours. Exact details and rules will be released a few days before the contest.
3. Participants must neatly write their solutions to the subjective type questions and scan them using a scanning software **in portrait mode** only.
4. Solutions that have not been scanned properly or are illegible will not be considered for evaluation.
5. Typed solutions are also accepted for the subjective type questions.
6. Participants are encouraged to submit partial solutions and will be awarded partial marks based on their attempt.
7. Solutions to subjective questions will be graded on accuracy as well as rigour.
8. The prelims will be conducted on 19<sup>th</sup> June 2021. The time will be informed to everyone through their registered email id.
9. Ties will be resolved using the score in the Subjective section.

### **THE FINALS :**

1. The top 5 teams in the prelims, and the winner of the contest "Gaussian Gamble" (held previously in Aug – Nov 2020) will qualify for the finals.
2. The finals will be conducted online during the Pravega fest between July 29 and 31. The finalized date for the same will be informed to the participants who clear the preliminary round.

### **PRIZES :**

1. Prizes totalling INR 15,000 (Fifteen thousand rupees) will be given.
2. Winners will get a cash prize and a certificate of appreciation.
3. Finalists will get a certificate of appreciation.

### **RULES :**

1. Contestants may only use: Writing tools (pen, pencil) , Geometrical instruments (Ruler, Compass) , Calculator.
2. Graphing Softwares and Coding may not be used as a tool in the contest.

3. Participants can only discuss problems with their teammate, and cannot refer any other resource, online or offline. (Textbooks, websites, other contestants)
4. We reserve the right to disqualify teams if any evidence of malpractice is found or if any rules and regulations have been violated.

**MISCELLANEOUS :**

1. The Organisers reserve the absolute right to update, amend, modify, delete or create the rules mentioned in this document.
2. In case of any dispute, the decision of the Organisers will be final and binding on all parties.
3. Participants are requested not to post the questions on any public forum until a day after the contest.
