Note:

1. This is the Final list of teams who are qualifying for the subjective prelims. After considering all the issues raised by some of the teams over e-mail, we have decided to increase the number of selections to 30 teams, instead of 25 teams.
2. No more requests/clarifications/challenges etc regarding any aspect of objective prelims will be entertained.

3. Due to unavoidable circumstances, the subjective prelims will be postponed. A poll will be shared with all the qualifying teams to finalize the date of the subjective prelims.
4. All the selected participants will be emailed with the details of Subjective Prelims soon.
5. Cutoff = 8.25/40. Tie breakers mentioned in the Rules and Regulations document are used to select top 30 teams for the Subjective prelims.
