## 1 About

Astral Felony is an online instagram based quiz organized by Pravega, the annual undergraduate festival of IISc. The questions would hopefully be crazy and mindboggling or trivial depending on the mood of the organizers at the time of making these questions. You can find the rules and regulations below, which are subject to change.

## 2 Rules and Regulations

- The time period of the quiz will be provided by Pravega atleast 4 days before the event. The approximate dates are the last week of september.
- The questions will be given in each slide of a story along with a post.
- Answers to each question must be given as a reply to the slide containing the question, or as a message to the Pravega Instagram account while referring to the post number.
- Answers must be given along with justification if requires.
- Winners will be given free entry into the Astronomy workshop being planned near the end of September along with a certificate
- Criterion for deciding winners will be mentioned along with the announcement of the time period of the quiz
- Judgements for all disputes rest with Pravega
