

Battlegrounds Mobile India

Hello everyone, and welcome to **BGMI**, an online gaming event organised by Pravega, the largest science fest in the country. The event will spread over 6 days, from 26th to the 31st of July 2021 and have a prize pool of **20,000 INR**. This event would be open to all, over all age groups and free to register.

Tentative Schedules and fixtures

Prelims will be conducted on 26th and 27th July 2021. All the participating squads will be divided into 4 groups randomly, and each group will play 2 matches with the other 3 teams. Thus each squad will play 6 games spread over both the days in prelims and each map twice, i.e. Erangel x2, Miramar x2, and Sanhok x2. We have reserved the 28th of July to conduct the rescheduled matches, if any. Room ID and password will be shared on WhatsApp/mail 15 minutes before the game. You will also be informed about the allotted slot on WhatsApp/mail. Make sure you join the Match Room ASAP. The finals will be on the 31st of July, and its schedule is yet to be decided and will be informed to the qualified squads. From each group, the top four squads will be selected to participate in the finals.

Scoring System

The scoring in each game will be based on the number of kills and the survival rank of the squad:

- Total Score = Kill Points + Position Score
- Each kill will award 1 point to the squad.
- In case of a tie, the team with more kills across all the prelims/finals games will get a higher rank.

1st position will get 15 points, 2nd 12 points, 3rd 10 points, 4th 9 points, 5th 8 points, 6th 7 points, 7th 6 points, 8th 5 points, 9th 4 points, 10th 3 points, 11th and 12th 2 points each and 13th, 14th and 15th will get 1 point each, rest will get zero.

Terms and Conditions

- It's requested that all team members keep maps downloaded as we won't allow time for that.
- **Last Date to register: the 22nd of July 2021**, but we may put a cap on the number of registrations and thus request you to register at the earliest or filter the participants based on their ranking due to logistical issues.
- The above schedule and fixtures are based on 48 squads or less, and we can change it as per the number of registrations.
- If you fail to join the room by the match start time, we are not responsible for it. So make sure to participate on time. The lobby will not be restarted because of a problem with the player's phone. You should have a proper internet connection for the duration of the

tournament. In case of a sudden disconnection, we would not organise a rematch. And we are **not sorry about that**.

- Make sure your BGMI Username matches the BGMI Username filled in the form.
- The money will be shared among the players who played the match. The player who failed to join the game will not get the prize.
- Players cannot engage with other players verbally (curse words, racism, sexism).
- Misbehaving with the game masters and referees will not be tolerated. Players cannot share the contact info of other players or referees without their consent.
- Using illegal methods, visual enhancing programs, bugs and third-party programs are forbidden, and spamming both in writing and verbally is prohibited. Emulators are strictly forbidden.
- Teaming is strictly forbidden. Teams doing so will have the last position without the need for proof.
- If the issue has affected multiple players, it's in the tournament official's initiative to restart the lobby or not.
- Finals will be streamed on Pravega's YouTube channel.
- Players willing to stream or record the matches have to take prior permission, and streaming should strictly have the Pravega logo overlay.
- **If you are caught cheating, it will lead to immediate disqualification from the tournament.**
