About Whodunnit

Whodunnit is an online mystery-solving game that is being conducted by Pravega'21. Groups of students would be trying to solve a crime with the help of online clues in the form of pdfs, text files, voice and video recordings, online interrogation etc. This will be a game that will challenge your deductive reasoning, interrogation and observation skills. It looks forward to bringing together teams of budding investigators and to give them a taste of crime-solving in a digital age.

Timings

30th July 9:00 AM to 1st August 9:00 AM

Limit on number of Teams

There is an upper limit of 30 groups that will be participating in the game. The groups will be allowed to register and will be allocated a unique group number on a first come , first serve basis.

Eligibility

Any student from any university/school below the age of 27 is welcome to participate

Team formation rules:

The **registration fee** is Rs. 20 per group and may be send via UPI to the UPI ID ashfakh1000@oksbi

- The participants are required to participate in groups of a maximum size of **three** individuals.

The group **must** make the following :

1. An **email ID** with the format ' p_whodunnit_group[group number] [@gmail.com](mailto:p_whodunnit_group05@gmail.com) (ex. p_whodunnit_group05@gmail.com)

3. The group must also provide a **phone number** to contact in case of any emergencies, additionally the **registration fees payment must be done through this phone number alone.**

General Rules

- The game would be conducted in a completely online mode hence the groups must ensure good net connection at least for the most part of the duration of the game. The finalists may be required to appear on video for a chance to interrogate suspects live.
- The game would have multiple rounds with a certain number of groups (number is subject to change) being eliminated in each round. Once you are eliminated you will be notified via a mail/instagram DM.
- Rules would be posted in the whodunnit instagram page at a fixed time. The participants are requested to read all instructions and rules for each round carefully before proceeding.
- The participants would be required to maintain decorum and respect while interacting with the suspects at any point of the game. Any misconduct in the form of inappropriate words, texts, images or video files would lead to immediate disqualification.
- The participants are expected not to share answers or collaborate in anyway with other groups. Evidence of the same will lead to disqualification if a proper explanation is not given. The authority of final decision of the winner rests with the coordinators.
- The participants are required to abide by the above rules and regulations. Any changes made in the rules and regulations would be informed to the candidates.
- Organizers reserve the right to change rules and regulations at an point of time. In case of any conflicts, the organizer's decision is final and binding.
- All clues, rules, plot details and interrogation would be conducted in English. Responses would also be received in English.

Prizes and Awards

The first prize would be Rs.4000 and the second prize would be Rs.1000
