Chemenigma Prelims '22 rules and regulations

Team Chemenigma '22

July 2022

1   Eligibility

Students in class 11 or above (till 2nd year UG) and have not started their 3rd year of UG are eligible.

2   Teams

Teams can have at most two participants and both must be eligible. Individual entry is permitted. As such no distinction shall be made between teams on the basis of number of members for determination of their performance. The score and answers given by the the organizers is final and there will be no consideration of any appeals.

3   Registration

Teams and individual participants must register themselves on the Chemenigma website.For a team of two only one registration is sufficient. There is no registration fee. All teams must possess valid ID proof for determination of their education level and identity. The organizing team reserves the right to disbar participants found forging identities.

4   General Rules

- The prelims will be held completely online on 10th July, 2022.

- There will be 12-15 problems and a total of 6 hours will be given to solve them. (12 pm to 6 pm)

- The candidates are free to use any non-living source they deem fit to aid their effort while solving problems.

- The question paper will be mailed to the teams on the day of the prelims. The answer scripts must be mailed back to the event email ID before the end of the stipulated time.

- The answer script must be in word document or pdf format and maybe typed or inked.

- The top 4 teams will be selected to move on to the finals.

- The details of the finals will be communicated later.

5 Other rules

- The details of marking, results and sample questions will be mailed to the teams' email id(s). Thus all team members must have a working internet connection to receive all updates. All team members must ensure that they have a working webcam as the prelims will be proctored.

- The solutions to all the problems should be clear and decisive. Any discrepancy arising because of illegible solutions will not be entertained.

- In case the organizers are able to establish any inconsistencies, all such teams will be barred from participation in the present as well as future iterations of the event.

- The medium of both questions and solutions will be in English.

- The organizers retain the right to update, edit, and remove rules summarily by posting it on the website, thus the participants are encouraged to keep abreast of all active developments.
